About Educarnival

Educarnival is one of India's leading premier education expo organizers, with a highly professional team dedicated exclusively to hosting education fairs and expos since 2016.

We have successfully organized education fairs across the country, with a strong presence in the Northern and North-Eastern regions, delivering highly targeted and guaranteed audiences.

As a trusted bridge between students and institutions in India and abroad, we connect aspiring learners with the right educational opportunities. Recognized globally, Educarnival is a reliable name in the education expo space, committed to excellence in higher education events.

Benefits for an Institution to participate

a) Advertisement and Promotions

- Exposure through local TV channels, newspapers, and social media platforms.
- Enhanced visibility using flex boards, banners, and collaborations with local influencers.

b) Targeted Direct Access to Potential Students

- Opportunity to engage with the right target audience.
- Direct interaction with students who are actively seeking admission.

c) Spot Admission Possibilities

- High possibility of closing admissions on the spot due to faster decision-making.
- Students visit stalls with responsible family decision-makers.

d) Institution Branding in the North-East Region

- Helps expand the institution's presence in the North-East & South Region market.
- Builds a stronger brand identity for the institution in the North-East & South Region
